

Dear Madam/Sir,

I would like to say that we enjoy listening to K-Love Radio at home and at work and want to see it continue it's broadcasts. It is very important to us and the residents of the community. There are so few good Christian music stations available today and it would be terrible to lose them if they were to be displaced by an LPFM broadcaster providing other programming. K-Love is an asset to all communities due to it's positive music and talk formats. This is the kind of programming that needs to be out there to encourage people. We listen to them daily and won't listen to any radio show that takes it's place. Thank you for considering my important plea to keep them on the air.

Sincerely,

Sean J. Deery
